PRAYER

Prayer during the weekend away is often the time when we see God moving powerfully in the hearts of our guests. To prepare for this, take some time with your team to pray beforehand **for your guests**. If anyone has words of knowledge, share them during your prayer session on the Alpha Weekend Away. Here are some of the suggested flow during the prayer time:

- **Invite the Holy Spirit** – Once your guests have joined the call back, you can invite them to join you to ask the Holy Spirit to come.
- **Wait on Him** – While you're waiting, try to engage with the guest every 20 secs-ish by saying words like, *"We're just going to wait a little longer on the Holy Spirit"* or *"More of you, Holy Spirit"*. You can also use those gaps to share what you sense the Lord is or wants to do in your small groups. Do also watch and see if the Lord is working among your guests through their video (*it's vital to get everyone to turn on their videos throughout*).
- **Offer prayer** – You can ask guests to take time to type out their prayers in the chat if they would like prayer. This is also a time where you can paste any words of knowledge that your team shared beforehand

SAMPLE SCRIPT

- Welcome back everyone! We would love to see you turn on your camera so we can see your beautiful faces.
- We're going to take this next few moments to pray. Just like how we saw in the video earlier, I'm going to invite the Holy Spirit to come. Here's how you can join along, you can just open your hands in a posture of receiving... let's pray. "Come, Holy Spirit" (*Wait on the Holy Spirit*)
Note: Do add in fillers every 20 secs as you wait on the Holy Spirit to engage with the guests.
- As we're waiting on the Holy Spirit, I sense... (*Share what you sense here – if there's any*).
- So, we are going to take some time to pray for one another. If you would like prayer, let's take this time to type out your prayer in the chat below (*do type out your own prayer requests as well to get the ball rolling*).
- As some of you are typing out your prayers still, here are some of the words of knowledge that the team had when we were praying for you... (*share those words in the chat- if there's any*).
- I've pasted those words in the chat, if you can relate to it, let us know... we would love to pray for you on that. Okay, there are few prayer requests here, anyone who would like to volunteer to pray for point A, B, C (*if no one volunteers, divide those points among you and your helper and then begin praying. Keep it short and simple!*).
- After prayer for your guests, ask them how they felt. Some people might have a powerful experience and it'll be encouraging for others to hear.
- After this, you can let the conversation organically go until the end. The conversation doesn't necessarily need to be on a spiritual topic.
